

## ECOJAY Introductory SmartZone Promotion

ECOJAY is offering free SmartZone ZS2X (2 zone) and ZS4X (4 zone) controllers to qualifying HVAC contractors. The total value of this offer is This offer expires August 31, 2010. Eligible HVAC contractors must be licensed and must satisfy the following requirements to receive their free SmartZone controller(s).

<u>Purchase Requirement</u>	<u>Promotion Award</u>
2 ECOJAY dampers	Free SmartZone ZS2X – 2 zone controller
3 ECOJAY dampers	Free SmartZone ZS4X – 4 zone controller

Note: This offer is limited to one ZS2X and one ZS4X controller per licensed contractor. Each ECOJAY damper purchased can be applied to only one free controller. A minimum of 5 ECOJAY dampers must be purchased to receive both free controllers. Damper purchases must be from an authorized ECOJAY distributor.

### **Submit Promotion Redemption form and Proof of Damper Purchases to ECOJAY**

To receive the free controller(s), the contractor must submit the completed promotion redemption form and the purchase receipt to ECOJAY for processing. The redemption form is available at [www.ecojay.com](http://www.ecojay.com) or on the promotional mailer sent to contractors. Purchase receipts must clearly indicate the location where the purchase was made, the specific dampers and quantity of each purchased, and the date of purchase.

Submit the redemption form and purchase receipt(s) to ECOJAY using either of the following:

Email:

- Attach scanned images of the completed redemption form and purchase receipts to the email
